Urban Land in Odiáxere

Excellent investment for construction.

Located within the village of Odiáxere, this plot with 715.5m², divided into two urban plots and with a construction index of 0.5 according to the CML.

It lies within the consolidated urban area, in which there are several hypotheses for the Lots, either for villas or for apartments! According to the

Chamber there are both hypotheses, always maintaining the limits of the construction index according to CML.

Very well located, close to all services, just 10 minutes from Lagos.
