Well located just 3 minutes from Lagos and all its services.

Farm to which the land is in a more fertile area of our municipality, with a house of 230m², consisting of 6 well-lit bedrooms due to its excellent sun exposure supported by 3 bathrooms, there are still 3 more spaces that can serve as 3 more bedrooms, the house is in a good state to live in. The house already has an alarm system and connection to mains water that only needs its meter.
