Building plots Cascade Wellness Resort

MAGIC ZONES has for you...

The unique opportunity to build your luxury refuge by the sea.

There are eight new plots for construction within the Cascade Wellness Resort development, a few steps from the famous Ponta da Piedade and the beach of Porto de Mós and five minutes from the city center, where each lot is more than a simple plot of land and can be transformed into your piece of paradise by the sea, where nature merges with refinement.

The projects feature 2-storey housing units plus a basement, T3 typology and 3 parking spaces, two of them in the basement and one inside the lot.
